My opponent, John Cowan, was caught on video saying he wants a "strong WHO," standing in direct opposition to @realDonaldTrump.

Here is that video -> youtu.be/hf-syari3mY

We can't afford any more RINOs like my opponent in Congress.

I'm getting very tired of "someone' continually removing campaign signs, located on MY PROPERTY, of the person I support in the race for Congress. #**marjoriegreene2020**
I suspect her opponent, and/or his supporters are behind this, but can't prove it, YET. But when I can, and I will, they will be exposed.
For those who think this will change MY vote, you are pretty simple-minded, and have solidified it.
Perhaps you should spend your time doing something more productive. Something that will garner your candidate more than a few endorsements, because these type of antics won't get the job done.

Ilhan Omar was born in Mogadishu, spent part of her childhood in a refugee camp. She and her family were accepted by the United States and in one generation she has become a congresswoman. Why is she so angry at America. Gratitude might have been better than rage as a response.

Mask wearing mandate of Atlanta Mayor @KeishaBottoms violates US Constitution, basic human rights & GA anti-mask statute. Medical evidence of benefit of masks is far too uncertain to justify loss of freedoms. Refusal to wear mask is a lawful act of non-violent civil disobedience.

the company has not engaged in such illegal activity. Dr. Cowan blatantly accused the company and Ms. Greene personally of such. Again, this constitutes defamation per se.

Similarly, the announcer's statement that "while leading her construction company Marjorie Greene refused to participate in the E-Verify program designed to make sure workers are not [illegal] aliens" is blatantly false and defamatory. As noted above, Ms. Greene has been 51%+ majority owner of the company invested in its operation and management since 2007. While *employing* the company

[illegible] to the period 2003-2010 is laughable and will be easily destroyed when presented to a jury. First, the E-Verify program did not even come into existence until 2007. Thus, even under your absurd interpretation of your own statements, they are false as to four of the seven years at issue. Moreover, you could have said, but intentionally chose not to, that "while serving as CFO of the company from 2007-August 3, 2010, the company chose not to enroll voluntarily into the E-Verify program." But that is not what you said. Your blanket false statement was intended to smear Ms. Greene and her company and cause the voting public to believe that she has routinely violated federal immigration laws, that her company routinely hires illegal aliens, and that it is presently in violation of those laws. Such an effort to falsely and maliciously defame Ms. Green personally and the excellent reputation of her company are precisely the reasons Georgia defamation law provides an immediate remedy to Ms. Greene to bring suit against Dr. Cowan, his campaign, those associated with his campaign and any and all third-party publishers of your defamatory publication.

Please immediately provide notice to Dr. Cowan, his campaign manager Spencer Hogg, Dr. Cowan's campaign Chairman, Andy Garner, of the law firm, McRae, Smith, Peek, Harman & Monroe, Mickey Tuck (Plant Facilities at Floyd Medical Center) and all employees and volunteers of his campaign, that the company and Ms. Greene intend to hold each of them liable for their role in publishing this defamatory material and for their role in not insisting that it immediately be taken down. Please be further advised that members of the campaign as well as any other supporters who re-publish these materials will be held accountable in a court of law for their derivative defamatory conduct.

We sincerely regret that Dr. Cowan and his campaign have seen fit to burrow so deeply into the dirt to find mud to sling as they are attempting to do here. The voters of the 14th District will reject such dishonorable and disreputable conduct.

Please proceed at your own risk.

Cordially,

David F. Guldenschuh, P.C.

was not launched until the following year. At the time it was a purely voluntary program implemented on a test basis in the States of California, Florida, Illinois, Nebraska, New York and Texas. The E-Verify Program, as you refer to, did not even come into existence until 2007 when the Basic Pilot Program had developed to a point that re-branding it was appropriate.

On August 4, 2010, at a time when Marjorie Greene was in fact listed with the Secretary of

> "Records show she [Ms. Greene] refused to use E-Verify at her family business" and
>
> "If we can't trust Marjorie to hire Americans instead of illegal immigrants, we can't trust her."

In the attached video, the announcer states as follows:

> "While leading her construction company, Marjorie Greene refused to participate in the E-Verify program designed to make sure workers are not illegal aliens."

Each of the above statements are blatantly false.

One cannot "refuse" to enroll in a program in which there is no legal requirement to do so. The term "refusal" infers the declination of a request or demand, or the omission to comply with some requirement of law, as the result of a positive intention to disobey. Of course, since the company had no legal obligation to enroll in the program, Ms. Greene could not have "refused" anything. Indeed, the facts well known to you prior to making your defamatory publication were that the company was in compliance well in advance of the July 1, 2023 start-up date in Georgia.

Moreover, it was during her designated service as CFO that the company enrolled in E-Verify and it has remained enrolled continuously through the present. Thus, your statement that "she refused to use E-Verify at her family business" is false on its face. As it accuses the company and Ms. Greene of violating federal law, it is defamatory per se and published with actual malice.

The statement immediately following is even more defamatory. Dr. Cowan's statement that "we can't trust Marjorie to hire Americans instead of illegal immigrants" directly accuses her of violating federal law by hiring illegal immigrants. Since becoming legally obligated to enroll in the E-Verify program, the company has been subject to routine audits for compliance and it has not been found in violation of the program. This fact is easily researchable. Thus, with full knowledge that the company has not engaged in such illegal activity, Dr. Cowan blatantly accused the company and Ms. Greene personally of such. Again, this constitutes defamation per se.

Similarly, the announcer's statement that "while leading her construction company, Marjorie Greene refused to participate in the E-Verify program designed to make sure workers are not illegal aliens" is blatantly false and defamatory. As noted above, Ms. Greene has been 51% majority owner of the company, [illegible] its operation and management since 2007. While *reading* the contract

[illegible] to the period 2003-2010 is laughable and will be easily destroyed when presented to a jury. First, the E-Verify program did not even come into existence until 2007. Thus, even under your absurd interpretation of your own statements, they are false as to four of the seven years at issue. Moreover, you could have said, but intentionally chose not to, that "while serving as CFO of the company from 2007-August 3, 2010, the company chose not to enroll voluntarily into the E-Verify program." But

FOR IMMEDIATE RELEASE: July 9, 2020

GREENE TO #SWAMPYJOHN: STOP DEFAMING ME AND MY COMPANY!

My attorney sent the following letter today to my opponent, John Cowan, in response to television, radio, social media and digital ads he's currently airing.

RE: Your July 9 Letter to L. Lin Wood

Dear Mr. Tyson:

The lead counsel for Ms. Greene, L. Lin Wood, is away from his offices today and has asked me to respond to your letter of July 9, 2020. I have been asked to serve as local counsel.

Your very twisted, non-sensical effort to explain the basis for Dr. Cowan's false and defamatory statements directed at Ms. Greene and her private business, Taylor Commercial, Inc., are wholly without merit, and quite frankly, ignore the plain text and context of the politically-motivated, malicious accusations you have levied.

The following facts are known to you, but warrant restatement here to further expose the falsity of the accusations you have made.

As you correctly point out, Ms. Greene purchased Taylor Commercial, Inc. from her father in 2002. Since that time, she has been the majority 51% owner of the company participating actively in the operation and management of the company. Regardless of any official Secretary of State title, Ms. Greene has been *leading* the company as its majority owner since 2002.

As you are well aware, the Basic Pilot Program did not come into existence until 1996 and was not launched until the following year. At the time, it was a purely voluntary program implemented on a test basis in the States of California, Florida, Illinois, Nebraska, New York and Texas. The E-Verify Program, as you refer to, did not even come into existence until 2007 when the

Much of the media's manipulated data and #FakeNews is aimed at convincing Republicans that we MUST do what the Left WANTS us to do. For example: Shut down Texas, Georgia and Florida again. The solution is to ignore them completely, investigate the facts & make our own decisions

Two-faced American companies like @Nike are quick to take up the cause of BLM, but cannot muster the courage to speak out against Communist China.

Has Nike remained silent on Hong Kong because they benefit from the forced labor of Uyghur Muslims held by the Chinese Government?

Other than golfing, demolishing the bulwarks of our country, insulting fellow citizens, debasing the presidency & ignoring a pandemic which has killed 140,000 ppl, what exactly what have you done to make America great? In fact we are pitied by other countries

Sorry to inform the Do Nothing Democrats, but I am getting VERY GOOD internal Polling Numbers. Just like 2016, the @nytimes Polls are Fake. The @FoxNews Polls are a JOKE! Do you think they will apologize to me & their subscribers AGAIN when I WIN? People want LAW & ORDER & SAFETY!

De Blasio took safety and quality of life away from New Yorkers the day he was sworn in NYPD should take his security details away and let him feel what we feel like everyday when he took everything away from us to back criminals

It sounds like this conference meeting the first in-person GOP meeting in months is turning into a full blown Freedom Caucus venting session/pile on.

Now Jim Jordan is laying into Cheney for all the times she has broke with Trump and started listing them off.

He said it'd be better if their conference chair helped Trump instead of going after him.

Cheney did not back down from confrontation

She defended Fauci.

She told Gaetz look forward to seeing ur HBO doc

She told Massie his issue is w/ Trump, not her

She told Jordan I look forward to hearing ur comments about being a team player when we're back in the majority

The protestors are patriotic American citizens and literally mothers who care about the future of their kids and their families. They're risking their lives to protest police brutality, racism, and this corrupt administration that is destroying the very foundation of our country

Trump, by falsely accusing protestors of being "anarchists who hate our country," is going to war with the American people who are just excercising their First Amendment rights to speak freely and to assemble. It sets the precedent for a military police state that is truly scary

The best way to help my constituents is to reopen America and put America back to work.

Eat the rich you say?
Earning a paycheck instead of violent anarchy avoids that.

And fully funding ICE will allow more Americans to have a job.

Democrats aren't concerned about covid while they cheer on and fund the violent rioting mobs of Antifa and BLM.

Same Democrats say covid is too dangerous to open our children's schools, go to work, go to church, and reopen America.

Hypocrisy much?

Donald Trump was all ready to campaign against Bernie Sanders with his bogus attacks of "socialism" and "radical left." Then Joe Biden won and now he still thinks that his strategy can work. Biden has been in office for 40 years. We all know he's not "radical."

As an American & leading candidate for Congress, I am appalled at the censorship of these Covid frontline doctors.

Their freedom of speech should be protected.

More importantly, their experience & testimony on how to treat Covid needs to be heard.

This is sick. These people are evil.
How is anyone ok with this?
When will it be enough?
When will leaders do their job?
Is it going to be left to the American people to stop it themselves?

In CA, 83.3% of the Covid deaths were ages 60+ and over 75% of these tragic deaths were above retirement age of 65.

Yet schools, businesses, churches, have been shut down and are severely restricted in re-opening.

Californians 65 and older comprise 16% of the state's population but just 11% of coronavirus infections, and a whopping 76% of deaths. By contrast, Californians 18-34 are 24% of the population, 35% of cases, and just 1% of all coronavirus deaths

Historic is probably a good way to describe it. Trump will definitely have a spot in the history books. He won't have statues. We won't celebrate his birthday. He will never be on our currency. Probably won't get a library

He'll turn his back on @realDonaldTrump the first chance he gets, just like Mitt Romney. He's also being run by Jeb Bush consultants.

MLK wanted to see an America where people are judged not by color of skin, but content of character.

Yet Joe Biden has excluded Asians, Hispanics, Whites, Indians, etc from consideration for VP.

THIS IS RACISM.

Why not the best qualified person no matter their color or gender?

This is the America the Democrats want!

The Democrats want to free murderers & rapists while they take away our guns & police.

They want to leave innocent Americans defenseless. The Democrats are evil!

Vote Republican!

With every mile of new border wall system that goes into the ground, the operational capacity of USBP significantly increases. Their ability to stem the flow of illegal migration, drugs, and criminals from being introduced into our country exponentially improves.

This may come as a surprise but I have never before voted for a female candidate because to date I have not found a woman who represents my core values. I am excited to vote for you tomorrow NOT because you are a woman but because you are the best candidate! With that said thank you for being a woman of integrity that myself and my daughters can safely admire.

Make no mistake about it. If @Carolyn4GA7 wins and #Pelosi controls Congress, and @POTUS is defeated, #Israel will cease to exist by 2024. Hate-America leftists have no place in Congress.

Yes but 30 minutes to my polling place Another guy was there too and more pulling up There were two pollsters there and one of them got in his car to go get provisional ballets but if he had to drive to courthouse that would be at best a 40 min turnaround. I could not stay. I am in pre/post op. The other guy there with me said he could not come back either. He was working 12. The need to at the least stay open til 8pm.

> I just donated to your campaign on your website. Also, I took my 18 year old daughter to vote today (her first time) at the Dalton senior center precinct. My wife and I early voted for you. So you got all 3 votes from our family. Thank you for coming to Dalton to help defend our monument. Also congratulations and good luck in Congress because we are sure you will win tonight!

Great to talk to @ToddStarnes & share about the #2020PrayerMarch taking place Sept. 26 in Washington DC. I'm asking people to join me & march for our country, praying as we go from the Lincoln Memorial to the Capitol Building, that God would heal America.

The media doesn't ask the people's questions because they do not represent the people.

A high majority of the media are Democrat activist using their platform to throttle Democratic Socialism.

I won't allow the fake news media to bully me.

I don't answer to them.

I answer to the people of Georgia's 14th Congressional District. These great people overwhelmingly voted for me and @realDonaldTrump.

They understand that the fake news is the enemy of the people.

The most costly conspiracy theory of the 21st century for our country (the need for the Iraq War) was promoted by @RichLowry of NRO.

He actively cheered and propagandized for America to spend trillions of our tax dollars and lose thousands of American lives in the Middle East.

I haven't embraced any conspiracy theories.

You did.

You literally lost your mind and your senate seat because of the russiagate conspiracy theory.

I don't think the GOP needs to take any lessons from you, Snowflake.

Nancy Pelosi said I was "below the dignity of Congress" because I stated a fact about her

I do not apologize for calling her a b****

That's the nicest word I could think of when trying to describe her

What's below the dignity of Congress is her impeachment of @realDonaldTrump!

@JoeBiden voted for the most consequential conspiracy theory of the 21st century: the Iraq War.

It has cost us TRILLIONS of taxpayer dollars, thousands of lives, and kept our country bogged for almost 20 years.

Bush-Biden-Cheney-Clinton ... they serve the Swamp, not the people.

Bill de Blasio has announced today that he is cancelling the 9/11 "Tribute in light" over 'coronavirus concerns'

He's let rioters destroy NYC for the past 2.5 months but he can't show respect to the families of the brave first responders & other victims?

Disgraceful.

I think the whole "resistance" thing is just a cover for the FBI to keep their eyes on Trump, but it's also a way to prevent the president from actually trying to remove the power of the FBI to investigate him.

You can't say "Black Lives Matter" and also support planned parenthood and abortion.

Abortion kills millions of innocent black babies each year.

I'm going to work to end the abortion genocide.

The USPS has lost $78B since 2007. If it were a private business like mine, it would have already failed.

Yet Nancy Pelosi is framing budget cuts to keep USPS viable as "election meddling."

If we can grocery shop, we can vote in person.

THANK YOU to Debbie Meadows and Right Women PAC for your endorsement and support!

RW RightWomen

FOR IMMEDIATE RELEASE August 12, 2020
CONTACT Debbie Meadows, execdirector@rightwomen.com

Right Woman PAC Congratulates Marjorie Taylor Greene for Winning the GOP Primary Runoff Race in Georgia's Fourteenth Congressional District

WASHINGTON, DC – Right Women PAC today congratulated Marjorie Taylor Greene for her victory in the GOP primary runoff for Georgia's 14th Congressional District. Greene garnered 57% of the vote – a resounding victory.

A pro-life conservative committed to pro-growth economic policies, Marjorie Taylor Greene earned Right Women PAC's endorsement earlier this year. Her primary campaign focused on her intention to combat the radical socialist agenda, and her strong support for the Second Amendment and the rule of law.

"Right Women congratulates Marjorie Taylor Greene on her decisive win in the primary runoff," said Debbie Meadows, Right Women's executive director. "Marjorie will be a strong ally for President Trump in advancing the Make America Great Again agenda. She will be a great voice for Georgia in Congress."

Right Women PAC's mission is simple and strategic: to help elect genuinely conservative women to Congress. Right Women only endorses women candidates who demonstrate they are ***pro-Constitution, pro-life, supportive of President Trump's Make America Great Again agenda, staunch defenders of the Second Amendment and law enforcement agents, and advocates for border security, religious freedom, Israel, and our veterans.***

A Twitter Exec, @Larakate, retweeted a tweet calling #LauraLoomer & I "bigots and extremists" because we call out anti-semitic, radicals like @Isarsour.

My message to twitter: defame us all you want. But you can't stop us.

We'll come after you on Day 1 in Congress.

Buckle up.

I'm honored and thrilled to be invited to attend President Trump's acceptance speech Thursday evening at the White House.

I'm also equally excited to vote for him again November 3rd, and I'm working hard all over Georgia to help him win.

Windsor Mann's comment about Kayleigh McEnany is vile, hateful, & unacceptable.

Has he apologized?
Will he remain on @USATODAY's board?

The left hates strong Christian conservative women.

They are especially intimidated by those of us who won't back down.

Rioting/Violent attacks. This is what a losing team looks like (when they have no self-respect). If they were winning, they'd be celebrating. They're not. They're buried in their own shame and attempting to cast it onto others.

The violence and attacks launched by BLM thugs on @RandPaul and so many other Americans outside the White House last night should be a wake up call to our country.

We must flood the polls to re-elect @realDonaldTrump or these marxist mobs will run our government.

But the Fake News Media and Dems keep telling us they're "peaceful protests."

They're not peaceful. They're violent Marxist BLM thugs and rioters.

As of today in America, 3,378,859 people have recovered from COVID-19.

The media only reports the deaths and new case numbers, but please remember that the vast majority of people do survive.

Covid deaths reported by @CDCgov are very low.

Due to very high amounts of testing, cases are higher, yet most people are asymptotic or fully recover.

Democrat socialist leaders like @BilldeBlasio treat Americans like political pawns.

American tax payers shouldn't bailout cities run by Dem leaders who cheer on riots and shut down businesses.

Seems these foolish Dem leaders forget how the Gov is funded.

Agreed. If I were on a jury, I would NOT vote to convict Kyle Rittenhouse of any charges against him.
Kyle is a minor. He acted in self defense against violent radical adult men attacking him and threatening his life.

So @andymstone is that how big tech censorship works?

The fake news media & leftists get triggered and whine about conservative viewpoints.

Like gun rights.

And memes.

Then you judge us and decide if our speech matters or not?

Asking for many friends...
